High Achievement for All Through STEM

June 11, 2016

Dear PVES Family,

Thank you for a wonderful last week of school! Your thank you notes, gifts, hugs, and smiles are very much appreciated. We ended this year's journey on a high note and I look forward to a positive and productive new school year.

We celebrated our Kindergarten students moving on to first grade on Thursday and our 5th grade students completing elementary school on Friday. Both events were heart warming and fun! Thank you to all the family members who were able to join in and support our students. Your involvement is one of the hallmarks that make PVES an outstanding school! Remember that I will be contacting all of our fifth grade families to ask about your plans for next year. It would be wonderful to have you join us for 6th grade.

From June 13th through June 24th our school office will be open from 8:00 to 3:00. On June 27th the office closes and reopens on July 25th. When we reopen our office hours will be 7:30 - 3:30. I'll be taking some time off when the office is closed. We hope to take a trip down to Carlsbad so I won't be answering any emails during that time.

This year the 2016-2017 class lists will be posted in the library windows on Friday, August 12th. They are going to be arranged by class rather than alphabetically. It is hoped this will make it easier to find your child's new teacher and classmates.

Here's hoping you are able to spend some time with family and friends this summer, possibly even some time to relax!

I'l miss seeing you all and saying good morning. Be sure to save your best summer adventure stories for me!

With the warmest of regards,

Rebecca Johnson
Principal
