PRINCIPAL'S CORNER

Dear PVES Family,

Over the past few days you may have noticed that I've been standing on the corner in front of the school. I've been monitoring the traffic in the morning after it was brought to my attention by some very concerned parents that traffic is moving to quickly when entering and exiting our parking lot. Cars crossing the intersection after the light has turned yellow are also blocking the crosswalk.

Student safety is a top priority. This begins by keeping your child safe when arriving and leaving school and I need everyone's help. Please *slow* down, look carefully when approaching the school and when entering the parking lot. The best way to prevent accidents is to arrive early and take your time when dropping of your child at school. Thank you for your cooperation.

If you are interested in being involved with keeping our students safe join us for our Safety Committee Meeting this Monday at 2:50.

The winter holidays are fast approaching! There are special events happening during the next two weeks. Classrooms, grade levels, and the entire school are having special activities and events! Our school wide holiday concerts are set for Thursday and Friday, December 15th & 16th, at 8:30 a.m.

Each year, as we grow, we work to find the best way to organize attendance at our Winter Concerts. This year all grade levels are performing on both mornings and parents are welcome to attend either concert. Below you will find a link to the sign-up genius to choose the day you wish to attend and how many seats you will need. In this way we are hoping that parents will be able to enjoy the performance of all of our students!

We have approximately 400 chairs so there are 400 spaces for each concert. Here's the link: <http://www.signupgenius.com/go/30e0e49aaaa22a0fe3-pves/>
Enjoy the rest of the weekend!

With warmest of regards,
Rebecca Johnson
Principal

Osprey Family of the Week:

The Cho Family
Date: November 26, 2016

The Cho Family tries to teach their children the importance of being themselves, and they love the song “**Just the Way You Are!**”

Meet the Cho family: Arie (age 5) started at PVES last year in TK and now is now in kindergarten. Her younger brother Abin (4) will join PVES next year in kindergarten. Soo Cho (Mom) who is the owner/teacher of Artsy

Kids here in Playa Vista and Ed Lee (Dad) is a Marketing Director for an international company.

The Cho family have family dinner every Friday and watch their favorite tv-shows, including “Wild Kratts.” Their family loves all kinds of food, but they can never go wrong with Korean comfort foods, Kimchi Fried rice.

They also love to travel and each year they continue the tradition of exploring new destinations to add to the kids’ travel map. For local destinations, they enjoy San Diego and love Lego Land, San Diego Zoo, Safari Park and the beach in San Diego. For international destinations, they love Korea. They have extended family in Korea so they try to visit each year. Currently they are planning to go this winter to see new baby cousin and the kids are already super excited!

What are some ways your family has gotten involved with the PVES community?

Soo has been involved with Art in Action since last year and regularly supports our awesome classroom moms or school activities! Our family are also proud supporters of the PVES annual giving fund.

The Playa Vista Parent Engagement Group is proud to acknowledge The Cho Family! We appreciate you **Just the Way You Are!**
