Friday, Sept. 28th

volunteer orientation
8:20 MPR

Upcoming Events

- **10/2 Celebrating Latino Heritage Month - Latin Rhythms Assembly**
- **10/3 3rd & 4th grade Chat With the Principal**
- **10/4 FPVS & Room Parent Meeting PVEAB Meeting**

Dear Playa Vista Family,

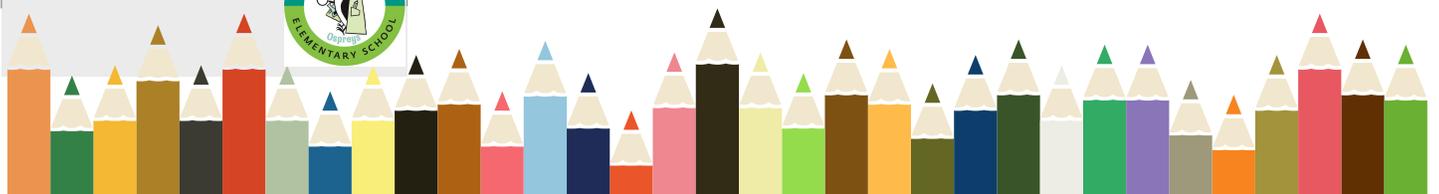

School Spirit Day is every Friday! Everyone shows their school spirit by wearing a school t-shirt. Where can you purchase a t-shirt? I'm glad you asked. It's simple. Go to playavistaschool.com and click on the word **HERE** right under Show Your Osprey Pride! You'll see the Spirit Wear available, from t-shirts to sweatshirts, that your child can wear to show their Osprey Pride.

There is one t-shirt in particular that is both a pride t-shirt and a field trip t-shirt. That's the very first one you'll see, the green t-shirt. Because they are a bright color, making them easy to see, teachers prefer that student wear these on field trips. It really helps to keep an eye on all of our Ospreys when they are off campus.

Speaking of field trips, many classes will be going out on trips soon. If you plan on going with your child's class or meeting them at their location, you must attend a Volunteer Orientation with me, complete an LAUSD volunteer application, and have a notice that you are clear of TB from your doctor. This is an LAUSD Board policy that we must follow.

Many of you have already attended an orientation and there is another one set this Friday at 8:20 in the MPR. Please take advantage of this opportunity so you can be sure to have these requirements met and be ready to be a field trip chaperone.

The Boo Fest is just a few short weeks away! Already a great way to spend your Saturday, this afternoon of fun has just gotten better. This year students are encouraged to wear their costumes to the Boo Fest and show them off

Playa Vista Elementary

during a very special Monster Mash Dance. The dance will happen three times during afternoon: at 2:45, 3:45 and 4:45.

This special way to celebrate the creative costumes your children come up with each year is taking the place of the Halloween Parade that usually occurs during the school day. Last year when the PVEAB set the calendar, a decision was made to find a creative replacement for the Halloween Parade. The Monster Mash Dance does this perfectly!

I'd like to close with a couple of reminders. First, to all 1st and 2nd grade parents this Thursday is our Chat. We'll meet upstairs in room 18 for an open discussion where you set the agenda. Come with your ideas, questions, suggestions, and positive solutions. See you all at 8:20.

Our Safety Committee meets for the first time this year on Tuesday. Anyone is welcome to attend. We'll gather in the Conference Room in the office and begin at 8:20.

I hope you enjoy the rest of your weekend!

With the warmest of regards,

Mrs. Johnson

Principal

Open House

Come see what's happening inside the Mobile Museum: An Archaeology Experience

The Archaeology Experience is a unique educational space that simulates an archaeological site in the Santa Monica Mountains. During the program students learn about Chumash peoples of the past and natural resources of Southern California. Designed for students in 3rd through 5th grade.

The Archaeology Experience is brought to you by the Natural History Museum of Los Angeles County with funding by The Max H. Gluck Foundation.

Important details:

- Staff, teachers and family are welcome!
- Maximum of five students per one adult at all times
- No food or drinks allowed on the Archaeology Experience

Open House Date and Time:

Date: Tuesday, September 25th

Time: 1:38 - 2:38

The Archaeology Experience is parked on your school campus
