Upcoming Events

- 10/8 2nd Grade Field Trip to the Science Center
- 10/10 Volunteer Orientation
- 10/12 5th Grade Visits The Saltwater Marsh
- 10/13 Boo Fest!!!!

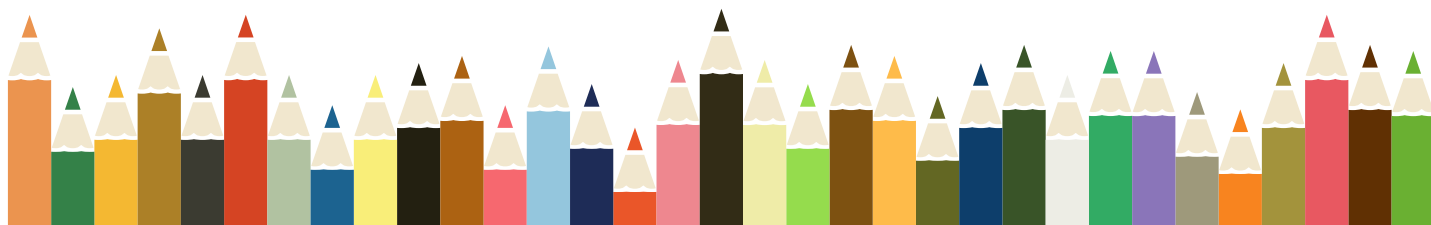

Dear Playa Vista Family,

Our third, fourth, and fifth grade students became archeologists this past week with the help of the **Natural History Mobile Museum**. They learned about the tools of the trade, the Chumash tribe of the past, and more. The next step is a field trip to the museum in Los Angeles. This is a unique experience for everyone involved.

Can you believe we are only two weeks away from **Boo Fest time!!! Saturday, October 13th** our school is transformed into a Halloween fair full of fun. There are game booths, a haunted house, a chili cook off, a bake sale, and more. See the two flyers that follow the newsletter for more information. One lets you know the times of this special event, the other tells you about the different booths and how many tickets for each. You can purchase your tickets with a check or online at www.playavistaschool.com.

This year we are adding a **Monster Mash Dance!** The dance will happen three times during the Boo Fest, at 2:45, 3:45 and 4:45. What a great way to celebrate your child/children's creative Halloween costumes! Remember that the Monster Mash dances take the place of the Halloween Parade that used to happen on Halloween day. Students will not be wearing their costumes during the school day this year, they are encouraged to wear them at the Boo Fest and dance during one of the Monster Mash times.

You may have noticed that last week **Mrs. Horton**, one of our fifth-grade teachers, was at the gate greeting everyone as they came to school. Once a month I'm required to attend a Local District West principal meeting. During my absences, Mrs. Horton

Attendance Matters!

Our attendance this past week was strong! On Friday we had only 18 students who were absent, amazing!

As always we want every student in school every day. Perfect attendance is best and difficult to achieve. This year our attendance goal is for children to miss no more than 7 days in the school year.

Here are a few tips to help your child reach this goal.

- Create morning and evening routines
- Talk to your child about the importance of school
- Keep in close communication with your child's teacher.

will be the acting administrator.

Mrs. Horton earned her master's degree in school administration from UCLA, is our leader in the implementation of our Restorative Justice program, and our learning community is fortunate to have her as part of our faculty. Thank you in advance for giving her your full support as she takes on this new role at PVES.

At Back to School Night I spoke about some changes happening in the leadership team at **LMU's School of Education**. Let me reassure you that our partnership is still going strong. In fact, the Interim Dean of the SOE, Dr. Mary McCullough, Ramiro Euyoque, the Associate Dean of Strategic Partnerships for the SOE, and I had a very positive meeting this past week. We are confident that PVES' work will continue to move forward with LMU's support and that PVES will continue to support LMU's program through instruction and having student teachers work with our master teachers.

The third and fourth grade parent Chat With the Principal is this Wednesday and I'm looking forward to another great discussion! We will be meeting in our library.

I hope you enjoy the rest of your weekend!

With the warmest of regards,

Mrs. Johnson

Principal

PLAYA VISTA ELEMENTARY SCHOOL
