Dear Playa Vista Family,

Welcome to Spring Break! For teachers and student this is a time to relax, regroup, and prepare for the remainder of the school year. And what exactly will the rest of the school year look like? How long will the @ Home Continuity of Learning continue? When/will we return to close out the school year? Unfortunately, I do not have the answers to these questions at this time. As always, when I hear any news, it will be sent out to you immediately.

Here's a bit of good news! **Rosetta Stone, a program where you can learn or strengthen language skills, has offered all LAUSD families free access for the next three months!** Parents, you'll use an email address to sign up and then their child can use this online resource to support the learning of another language, including English, at home.

There is a limit to one student/one language per email address. So, if your family has multiple children, you will need multiple email addresses. Here is the link: <https://www.rosettastone.com/freeforstudents/>. Please know that this opportunity is being provided as a resource for families and is not required as part of the district's elementary instructional program.

During **Spring Break**, teachers will not be available online as they are on vacation. For me, **I'll be checking my emails twice a day**, once in the morning and once in the late afternoon. If something happens that needs immediate attention, please feel free to reach out at rebecca.johnson@lausd.net.

The school office is closed as part of the Safer at Home protocols. **When we return from Spring Break though, I'll have office hours on Mondays, Tuesdays, and Wednesdays from 9-2 if you would like to call to ask a question.** (You may email me at any time!) Thank you for understanding that it can only be through phone calls and not drop ins, as much as I'd like to see you all!

Finally, be sure to check out the message from the teachers that follows the newsletter.

Take care of yourself as you take care of the ones you love!

With the warmest of regards,

Mrs. Johnson
Principal
