

OUR MISSION IS HIGH ACHIEVEMENT FOR THE WHOLE CHILD THROUGH STEM

Monday, May 25th.
Memorial Day -
School not in session

Thursday, May 28th
Annual FPVS
Meeting, 5:30p.m.

Dear Playa Vista Family,

Have you been out for a walk this past week and come by the school? If you have then I'm sure you've noticed the new mural right next to the office door. Each year our promoting fifth grade class gives a parting gift to the school. **This year's class has gifted us with two wonderful murals!** One is right next to the office entrance and the other is on the outside wall of the MPR and is visible from the gate.

If you have an opportunity to do so, come by and take a look. I've included pictures of the two murals below. The two gentlemen in the photos are the muralist Ray and his brother. They did an outstanding job! **Thank you 5th graders for such a thoughtful gift.**

I hope you all received the information about the **summer school opportunities that LAUSD** is offering every student. There are enrichment courses as well as ELA and math classes. Here's a link to the website <https://achieve.lausd.net/summer2020>. I've included a flyer for the enrichment classes as well. Let me know if you have any questions!

The FPVS and the PVEAB invite you to join their Annual Budget Meeting on Thursday, May 28th at 5:30p.m. This is a virtual meeting and a zoom invitation will be sent out soon. At this meeting, you will be given an update on the 2019-2020 fundraising totals followed by a review and vote on the FPVS budget for the 2020-2021 school year. As every parent is a member of the FPVS, you are all encouraged to attend!

Teachers are beginning to consider the student groupings in each classroom for this coming school year. They take many things into consideration during this process such as boy to girl ratio, academic strengths and needs, social and emotional needs, and more in order to make a positive learning environment for every child.

The only parent requests teachers are able take into consideration during this process are sibling requests. This means you may request a teacher that an older sibling has already had and now you would like the younger sibling to have that same experience. While teachers will try their best to honor these requests, they are not able to make any guarantees.

Please send a sibling request directly to your child's current teacher via email. As creating classes is a complex process, we are not able to take any other requests into consideration. Thank you for your understanding and support!

Tomorrow, **Monday, May 25th is Memorial Day and school is not in session.** Enjoy the three day weekend!

With Warm Regards,

Mrs. Johnson, Principal

Playa Vista Elementary

Local District West Virtual Enrichment Summer Program

Teachers will provide enrichment instruction aligned to interdisciplinary activities. These courses will focus on English, math, and Language Development in weekly highly engaging virtual learning opportunities for students.

- June 22-July 16–Sports Medicine with the L.A. Chargers
- June 24-July 22 Elementary and Middle School
- June 24-July 28 High School
- 12:00 p.m. - 1:00 p.m. or 1:00 p.m - 2:00 p.m. daily

Sign up at: <https://achieve.lausd.net/summer2020>

Be a Junior Polar Explorer (K-5)

What do you call a penguin in the arctic? Lost! This course is designed to support and enrich necessary learning through the lens of exploration.

Computer Coding, Stories, and Science (5-8)

Good computer games have good stories with strong characters. Learn to create your own story by computer coding--while creating a game. While we also explore building stronger friendship and family bonds

Exploring the Culture of Hip Hop through the Arts (K-12)

Students will explore Hip Hop Culture and various art forms including dance, music, and spoken word poetry. Students will complete a culminating project inspired by Hip Hop while making connections between community and the arts.

Financial Literacy (K-8)

- Banking Basics
- Income and Employment
- Budgeting
- Consumer Skills
- Credit and Debt
- Financing Higher Education
- Insurance
- Going to College

Help Save the World's Endangered Animals (K-8)

Do you love animals? Did you know some species are in danger of disappearing? Want to help save them? In this course you will learn about the animals on the "Endangered Animal List" and you will explore where they live, why they are endangered, and what we can do to save them.

Math Games, Exploration, and Coding (K-5)

Have fun with math by playing games, engaging in explorations, and learning how to write and decipher messages.

Sports Medicine with the L.A. Chargers (K-12)

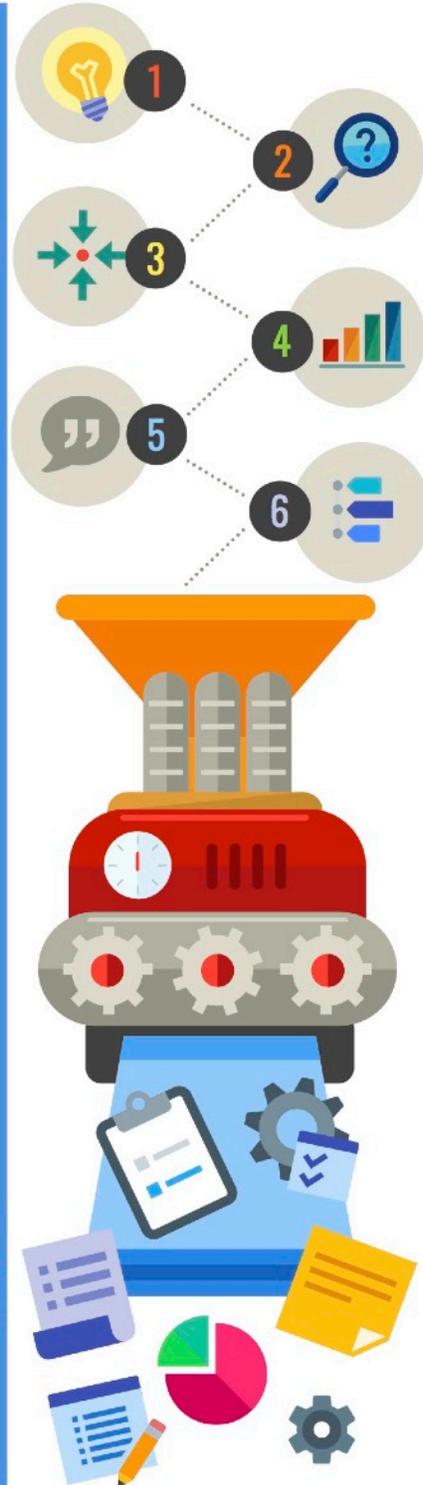

Our course offers students a multi-disciplinary enrichment experience in the area of sports medicine. Students will learn about the importance of physical and mental health within the lens of athletic training and sports medicine.

The Science of Food, Nutrition, and Culinary Arts (K-12)

Join former White House Executive Pastry Chef Yosses for Presidents Bush and Obama as he guides you on a journey of food re-discovery! You will learn science concepts that you interact with every time you eat. You will learn to cook healthy, quick, and budget friendly recipes which is the focus of this interactive course.

Sustainable Living, Made Easy (3-5)

Learn to work your environments: Both the urban and the natural ones! Students will learn about easy at home ways to save money, think creatively, and reduce their environmental impact through STEM.

Dear Parents,

Thank you for your interest in enrolling your child at Playa Vista Elementary School (PVES). Due to the growth in our community, we are only able to accept students who live within Playa Vista or are children of full time employees of Loyola Marymount University and have participated in LMU's lottery.

If you qualify to attend PVES, please fill out the enrollment paperwork found here. Your enrollment is contingent upon verification of the provided paperwork. **The enrollment process will begin as soon as the district tells us to proceed.** You will receive a congratulatory email once your enrollment is complete.

There are 10 PDFs in the enrollment package total. To complete the packet, please also include a copy of:

- **Proof of Age** – A copy of one of the following:
 - Birth Certificate (not hospital certificate)
 - Baptismal Certificate
 - Passport

- **Proof Residency** – A copy of your photo I.D. and a copy of one of the following:
 - Gas, Electric, or Water bill (not a telephone bill)
 - Rental or Lease Agreement
 - Property Tax Papers
 - Escrow Papers

- **Immunization Requirements** – All immunization records must be up to date to enroll
 - ✓ Polio – 4 doses required (Last does after age 4)
 - ✓ DTP – 5 doses required (Last does after age 4)
 - ✓ MMR – 2 doses required (Both after age 1)
 - ✓ Hepatitis B – Series of 3 does
 - ✓ Varicella – 2 doses (Chicken Pox – if child had the disease Doctor needs to stamp the card)

Once you have all the documents completed and the proof of age, residency, and immunizations, you may email them to Kristina Koffler at kak9583@lausd.net or Jackie Nelson at Jacqueline.nelson@lausd.net. You may also drop the enrollment packet off at the school office on Monday, Tuesday, or Wednesday between 9:00 a.m. and 1:00 p.m.

Remember that your enrollment is contingent upon verification of the provided paperwork. **The enrollment process will begin as soon as the district tells us to proceed.**

Thank you for your patience during these unusual times.

Sincerely,

Mrs. Johnson
Principal
