Monday, August 1st

School Office Reopens

Upcoming Events

- * *Thursday, August 11th 1:00*
TK/Kindergarten Orientation
- * *9:00* New Student Orientation
- * *Monday August 15th,*
First Day of School

Dear PVES Family,

PVES history was made this last week of school. The **annual kickball game**, where the faculty plays against the promoting fifth grade class, was **won by the fifth grade students for the first time!** There were some parents playing with the faculty, I needed a designated runner, and we still lost! Well done fifth grade!

For the first time in two years, our promoting fifth grade class was able to do all of the usual end of the year activities! The week ended with a heartwarming fifth grade promotion ceremony. Everyone was dressed in their own special style, the speeches were poignant, the school cheer was loud and proud, and the closing song touching. **The day will hold a special place in my heart as this class and I are leaving PVES together.**

I'd like to take a moment to say **thank you to everyone** for such a lovely send off! The cards with their touching messages, the flowers, gifts, hugs, tears, they all mean so much to me. We have all been through a lot together, especially these past two year, and I take with me so many fond memories.

I so enjoyed **going to camp** with the students and **camping out with families** in Concert Park. The **holiday concerts** that always touched my heart and the talent shows where a budding stand-up comic, with impeccable timing, made us all laugh. And oh, the **Boo Fest!** Games, food, magic, and community, what more could one want.

The highlight of every day was greeting you in the morning. It was our chance to connect, to share funny stories, talk about adventures, and share concerns. **You included me in your lives by sharing your successes and challenges. This is a privilege I will always remember and miss most dearly.**

While there is always more to do, **I am proud of the accomplishments made during my time here at Playa Vista.** We are the STEM demonstration school for the School of Education at LMU. We were one of the first 13 schools throughout all of LAUSD to have our STEM program certified

Playa Vista Elementary

by the Board of Education. These past three years the focus has been on embedding Social Emotional Learning and Culturally Responsive Pedagogy into our STEM curriculum. With its dedicated staff, committed parents, amazing students, and community partners, I am certain that PVES will continue to grow and thrive.

The search for a new principal continues. You will be **updated throughout the summer on any progress made in the process.** You may continue to reach out to me through my LAUSD email except for a couple of weeks of travel during the month of July. I look forward to staying connected with the PVES community and helping out where I am able.

I leave behind a piece of my heart, take care of it for me and take care of each other.

With much love,

Mrs. J

Dear PVES Families,

I wanted to take a moment and say THANK YOU!!!.....

....Thank you for your generous retirement gift!

....Thank you for your kind words and well wishes!

....Thank you for your support!

....Thank you for caring!

....Thank you for making my 10 years at PVES unforgettable!

PVES is truly a special place, and I am so grateful that I was able to be a part of it. Retiring after 33 years with LAUSD is bittersweet. I will miss seeing the kids and their smiling faces. I will miss greeting parents at the gate every morning to show their daily pass. And although I will miss our talks and sharing stories, I am excited to get started on this next chapter in my life. Thank you, again, for an amazing 10 years. I will cherish my time at PVES forever!

With much appreciation and gratitude,

Ms. Jackie
